Here are some details.*FREE ADMISSION* "This original, two-person, interactive, 45-minute fairy tale will have the kids 'thinking like scientists' as they follow the Princess of Floralee on the adventure of a lifetime, searching for the kidnapped king kept in the clutches of a viciously vile and wrathfully wicked witch. Along the way, the audience will help the princess solve a variety of math, engineering, science, and even dance challenges as she uses her brains, wit, and sound judgment to find her father in the land Scalenfell. Your kids will laugh and cheer as they meet characters like a figure-skating dragon, a Platypus saving Pirate, a gate with a flair for dancing, and a witch, that they may recognize!" Come enjoy a fun-filled evening for the whole family!
- Our Veterans Day program will be November 10th at 8:30. All Veterans are invited to attend a breakfast before the program. We welcome any Veteran or their family members to our program that morning.
