Quote of the Week:

"I'm not telling you it's going to be easy. I'm telling you it's going to be worth it"

Monday Morning Message for this week:

Helpful Vocab: nonrenewable resource **Definition:** resources for which there is a limited supply. The supply comes from the Earth itself and, as it typically takes millions of years to develop

Example: Natural gas, oil, and coal are examples of nonrenewable resources. We should use these wisely to conserve them.
