ISTEP Testing Days

Here are the days and grade levels for ISTEP testing the next two weeks. Please make your best efforts to keep your child in school these dates.

4/25: 3rd, 4th, and 5th
4/26: 4th, 5th, and 6th
4/27: 3rd, 4th, and 6th
4/28: 3rd, 4th, 5th, and 6th
4/29: 4th

Here are some general guidelines to assist in making this testing season better....

- Have your weekly schedule remain as consistent as possible.
- Encourage your child to do their best each morning. Encourage them to show their work and organize their thoughts.
- Have them here well rested and well fed the night before. A good breakfast will give them a good start to the morning as well.
- Get students here ASAP. If a student is late for testing they may have to be a make up tester.
- If they are sick, get them here! Students test better with their peers than as a make up tester. If they are very sick, please keep them home. Use your judgment.
