Jac-Cen-Del Elementary has had several years of success with their performance on the ISTEP+ and IREAD3. We plan to continue our success this year. The 3rd-6th graders will take ISTEP+ and the 3rd graders will take IREAD3.

One way you can help your child prepare for Multiple Choice ISTEP+ is to have them practice on the “ISTEP+ Experience” website. This allows students to practice technology enhanced items for ISTEP+ in April. They will not have to do these types of problems until the second testing session. You can access the Experience website at <http://www.doe.in.gov/assessment/experience-online>
