Quote of the Week:

*“When you have confidence you can have a lot of fun.
And when you have fun, you can do amazing things.”*

Joe Namath

Monday Morning Message for this week:

<http://content.jaccendel.k12.in.us/EL/MMM/3M8212017.MOV>

Helpful Vocabulary Word: *Addend* **Definition:** The numbers used to add together in an addition problem

Example: $34 + 21 = 55$

34 and 21 are addends.

Information from the Principal's Office

- There have been a few changes to the student handbook. I want to highlight a couple this week.
 - There are clear definitions of tardy and absence. We are also implementing a policy on tardies this year in hopes to limit the number of tardies our students accumulate.
 - This year we will be operating on weighted grades. Our quizzes and tests will count for 80% of their overall grade. Homework and other classwork will count for 20% of their overall grade. This will help everyone be better informed on the progress of their child throughout the school year.
 - Students are allowed to wear sandals to school but they need to have a strap on the back of them. We want our students to be Safe, Organized, Accountable, and Respectful. We are taking a proactive approach to making sure they can be safe in the school.

- JCDE has a YouTube Channel. Mr. Rohrig has been reading books to students and uploading them to the YouTube Channel. You can follow the channel on YouTube by subscribing to MrRohrigJCDE.

- This week your 3rd-6th grade student will be bringing home a permission slip for our trip to Columbus to visit Ivy Tech, Purdue Polytechnic, and IUPUC. This will be a great opportunity for students to see future opportunities in their educational career.

- This Friday Kindergarten-2nd grade students will be taking a field trip to Columbus to visit Ivy Tech and IUPUC. If you selected to have a packed lunch for your child, please remember to pack their lunch for Friday.

- Next week the JCDE PTO will pass out the Fall Laundry Soap Order Forms. This is a great fundraiser that helps our students and school.

- Parent Teacher Conferences are set for September 7th. This will be when you can get your child's midterm. We will also be asking parents to scan their driver's licenses on that night if they didn't have them scanned during registration. Thanks for your help with this.

- This Wednesday we will have our first Bus Evacuation Drill. This is one of the ways that we practice for keeping our kids safe. Thank you bus drivers!
